AN OPEN LETTER TO LIONS OF THE WORLD

Bangkok, February 2008

Dear Fellow Lions:

As you are reading this letter, 9,000 Lions in Multiple District 310 Thailand are having their heart beat in sync, marching in unison towards the 91st Lions Clubs International Convention to be held in Bangkok 23 – 27 June 2008.

As hosts, many of us have been burning midnight oil for months now making the necessary preparations to ensure that your visit will be a memorable, safe, resourceful and enjoyable one.

Lofty as it may sound, we intend to make this Convention one of the best ever. Fancy as it may seem, we will to see you come back on repeated visits with your friends and family. In a nutshell, no stone will be unturned to make your stay in Thailand comfortable and worth your while.

Come sample our oriental charm, beautiful sceneries, mouth watering Thai food and our traditional Thai hospitality oft doubled as the famous Smile of Siam.

Come join Lions from all parts of the World.

Come one, come all.

With warmest regards,

Yours Sincerely,
